

at CHRIST'S CHURCH ACADEMY

A WORLD WIDE INNOVATIVE PROGRAM FOR ENHANCEMENT OF THINKING ABILITIES AND LIFE SKILLS THROUGH STRATEGY AND MIND GAMES

Mind Lab is an innovative and research based program that helps children ages 5-12 enhance their cognitive, social and emotional skills using internationally-acclaimed thinking games. These games encourage deduction and induction procedures, teamwork, communication and the art of graceful winning and losing. Mind Lab has developed a unique approach that fills the gap between school education and real life challenges by teaching students how to think rather than what to think. During the course the concepts are applied to real life situations, allowing children to make transference from game scenarios to real life experiences and scholastic achievements. **The extensive research conducted by Yale University endorses that the Mind Lab Method significantly improves math and verbal scores as well as other important thinking and life skills.**

Registration is now open for our Fall course (9/14 - 12/7)
 Students 1st - 5th Wednesday 3:30 - 4:30
Fee for the 12 weeks course is \$180

.....
For RSVP please fill out information below and submit a check payable to MIND LAB, via your child's backpack or drop off at the Welcome Center.

Child's Name: _____ Grade Level # _____

Parent/Guardian (authorized to pick-up): _____

Contact Number(s) _____ E-Mail: _____

Is your child enrolled in aftercare: Yes No

Does your child have any medical situation and/or allergy we should be aware of: Yes No

If yes, please list: _____
